

Elemental Strife

by Mike Leglate · Part 1 of the Elemental trilogy

Update / Version Notes

Elemental Strife 1.32 Update Notes

Small things fixed/changed:

Elemental Strife 1.31 Update Notes

Big things fixed:

None

Small things fixed/changed:

Compacted sound files, trimmed some other stuff, corrected some typos. Download is now about 650K, instead of 1.1M.

Hint Book is here if anybody wants it. Also, look for a sequel sometime in August called Journey into the Mire.

Elemental Strife 1.3 Update Notes

Only one giant bug.

Big things fixed:

Final Battle now accessible

Small things fixed/changed:

Nothin'

Elemental Strife 1.2 Update Notes

Just a few things to be fixed. Only one was a huge problem.

Big things fixed:

Teleporter back to Crosswald from Fire Domain

Small things fixed/changed:

Should only be able to encounter Fire Lord once

Checked some teleporter problems, and are Ok on my end

Elemental Strife 1.1 Update Notes

Well, finally, that update is finished!! Sorry it took so long, but I had trouble making the transition from older versions of Divine Right to 5.1. Things should be in working order.

Big things fixed:

Fire lord entrance/exit

3rd water shrine

Item prices and usability

Small things fixed/changed:

Item restrictions now in effect (Elfin love necklace usable only by elves)

Acid blood squirting monster (no acid now...sorry)

Mystery string no longer appearing at the end of some battles

Some other less interesting things...
