

Journey into the Mire

Version 1.0 · by Mike Leglate · 1998 · sequel to Elemental Strife

(Edited by Samuel J. Wood in 2026)

This scenario picks up where Elemental Strife left off. The Elemental Lords have been united and survived a dragon strike perpetrated by Chromos, the chromatic dragon. Crosswald is now a booming trade town and you are an honored citizaen in this era of peace. In this installment of the trilogy, your band of heroes must save the Domain of Fire from civil war, and make preparations for a final siege against Chromos. Inside, you learn of the genesis of the chromatic dragon and journey deep into the swampland beyond the Domain of Fire.
