Born into bondage, you are a mongrel slave in the mines of the Neo-Imperium of Lankharh — a vast empire spanning two continents, ruled by five immortal psionic god-emperors known as the Mentarchs, or Mind Lords. For six and a half centuries the Lankharhan people, blessed with the psychic "Gift," have kept the giftless races in chains, and only a whispered prophecy of "Destined Ones" who will one day rise to destroy the Mentarchs keeps hope alive among the slaves.

Your task: unravel a conspiracy spanning centuries and worlds, and restore the freedom of the people of the Sword Lands.
